

Three Months of Coaching

3 hours @ \$150 a Month - Use any way

Working ON Your Business IS Your Business

Work with Kathryn Alexander, MA and use this program to focus on the areas that will grow your business. This is the time to work ON your business, not IN it! It is SO easy to get sidetracked by the pull of day-to-day needs, but that is just the reason why coaching helps.

Working with me will ensure that you stay focused, think out of the box, address limiting issues and *achieve* momentum.

Business can be overwhelming - especially if you are just starting out. Together we can make this very complex thing much more simple.

- ▶ Expand your technical skills
- ▶ Strategize and plan
- ▶ Sequence correctly
- ▶ Get creative with your marketing
